

T-2i 2-STROKE INJECTION OIL

>>Description

Torco T-2i 2-Stroke Injection Oil is a combination of smokeless synthetic, highly refined low carbon petroleum base oils offering “ultra-clean” performance and protection in 2-cycle engines. A proprietary additive system virtually eliminates deposits under a full range of RPM and temperature conditions. T-2i’s clean combustion properties offer better throttle response, improved acceleration and increased power efficiency. T-2i is a popular choice for smaller displacement 2-cycle engines.

>>Features

- >Synthetic blend technology
- >The most advanced low smoke performance
- >Improves power efficiency and throttle response
- >Excellent detergency for clean, deposit free operation
- >Reduced engine wear and provides excellent oxidation protection

>>Application

For use in small air cooled and liquid cooled 2-cycle engines: motorcycle, scooter, moped, ATV and garden equipment applications.

Exceeds all manufacturer warranty requirements.

Exceeds: JASO-FC / ISO-L-EGD / API-TC

Designed for oil injection systems but can also be used in premix applications

>>Typical/Test Data

Description	ASTM#	T-2i
Appearance	Visual	Clear/Green
Viscosity @ 100°C	D-445	8.1
Viscosity @ 40°C	D-445	54
Pour Point, °C	D-97	-35
Flash Point, °C	D-93	71

>>Directions

Use at full strength in injector systems. For best performance in premix applications, T-2i is recommended at ratios of 32:1 to 40:1.

>>Package Sizes / P/N

Description	T-2i
1-Liter (1.056 US QT)	T920022CE
12/1-Liter Case	T920022C
5 Gallon Pail	T920022E
55 Gallon Drum	T920022B
